

**East Jackson County Economic Development Council  
Business Assistance Program  
Application Form**

To encourage the location and or for expansion of business, this program provides (matching funds to new and expanding business to offset development cost (building permit fees, impact fees, connection fees, tap fees, development order fees, occupational licenses, Sneads W/S/G refundable deposit, West Florida Electric Coop refundable deposit and or possible infrastructure improvement cost).

As proposed the applicant must share 50% of the cost, with a maximum grant amount limited to \$1000.00 unless a higher amount approved by majority vote of EJCEDC member at a regular monthly meeting.
